

# Dadz & Kidz Club

- Looking for something to do with the kidz on a Saturday Morning?
- Would Mum like a lie in or just some time to herself?
- Would you like to meet other dads from the area?
- Going through a rough patch and would like some support?

Why not come along and join us, its free and run by local dads.

Salford Dadz – Little Hulton is a community group working in Little Hulton, we are run by a “council of dadz” who are all local fathers. We believe that children benefit from their dads being well and having support from others. We run various activities each week from arts and crafts and games through to making water rockets and other activities.

Why not come along? We meet between 10:00 and 11:30 on Saturdays at the Pavilion at the top of Peel Park. Check our Facebook page to find what we are doing this weekend.

Phone or Text us on 0771 7186 355 to find out more
